

2nd Annual “Life After High School” Workshop

Sat, March 9th from 8:30am - 4:30pm
Shivela Middle School, Murrieta

“Skills for Success in the Real World”

A **FREE** workshop presented by the Autism Society Inland Empire, Murrieta Valley USD and the Special Education Parent Advisory Committee

Parents and Professionals – do you know someone 13 yrs or older with ASD and wondered:

What Role Can I Play to Increase Self-Awareness, Self-Acceptance and Self-Advocacy Skills?

What Life Skills Are Needed in Today’s World?

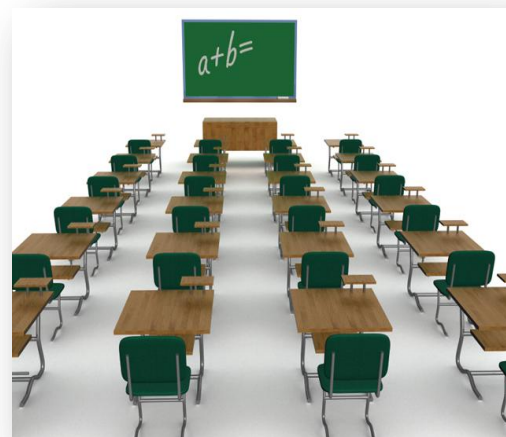

What Skills Are Needed for College?

What Programs and Financial Support are Available through Social Security?

How Can I Help Prepare Someone with ASD for Employment in Today’s Workforce?

Special Keynote Speaker: Dr Rod Rhodes. Is a Licensed Social Worker and a Clinical Psychologist with an expertise in the treatment of children and adolescents, especially those with ASD. He currently works with Dr. Duggan & Associates, and is the Director of the ADD Center in Whittier, CA.

Other speakers include: a panel of adults with ASD; Education Specialist, Theresa McFarland; Teresa Campbell, Public Affair Specialist with Social Security Administration; Amy Wilms, Asst Dean of Academics & Student Life, Univ of Redlands; Eric Borin, Coordinator for the Disabled Students Programs & Services Mt San Jacinto Jr College and a panel of Supported Employment agencies.

Admission is **FREE**, but space is limited – you must **RSVP!**

Visit www.jeautism.org or call the Autism Society Inland Empire at (951) 220-6922 to register or for more info!

Lunch will be own your own (There are plenty of restaurants in the area).

Sorry, no child care is available.
