## Autism: Puberty, Sex & Relationships

Sat, March 15, 2014  
24515 Lincoln Ave, Murrieta, CA 92562

### Don't Miss These National Speakers

#### **Keynote Speakers: Jerry and Mary Newport**

Jerry and Mary not only have autism but are gifted savants. They are popular international speakers and have written several books on autism subjects including *Autism - Asperger's and Sexuality: Puberty and Beyond*, and inspired a movie, *Mozart and The Whale* based on their initial contact and challenge of a relationship. They have been featured on *60 Minutes*.

Jerry and Mary will bring their experience as adults with Asperger's to discuss the sex and sexuality, issues with relationships and abuse. Their fascinating, touching, and often humorous perspective on living on the spectrum makes their books and presentations intriguing and informative.

#### **Breakout: Intimate Relationships and Sexual Health: High-Functioning Autism Spectrum Disorders/Asperger's.**

**Catherine Davies, M.Ed., M.Sc., C.Psychol, LMHC and Melissa Dubie, MS.** Authors of *Intimate Relationships and Sexual Health*. Both ladies are Educational Consultants at the Indiana Resource Center for Autism at Indiana University. Catherine has over 25 years experience working with children and adults with ASD and was a special education teacher, school psychologist and clinical psychologist in the UK. Melissa has worked in the public school system for 27 years with students with disabilities including ASD. During this time, she was a teacher, coordinator, coach and consultant for individuals from preschool through high school.

#### **Breakout: Sex & Relationships for Individuals with Intellectual Disabilities**

**Stacy F. Everson** is the founder and Executive Director of SEEDS Education, Inc and a Registered Nurse with a Bachelors Degree in Nursing and Public Health. She has national certification in developmental disabilities and family life education. She specializes in social-sexual education, speaking/trainings, work-shops & conferences, coordinating and collaboration with other agencies in creating effective educational tools and opportunities for people with intellectual disabilities.
